

Consecration of a Child to Mary

MEMORARE MINISTRIES

Lord Jesus, thank you for the gift of your holy Mother, Mary, who you gave me as my very own Mother when you hung up on the Cross (Jn. 19:26-27). Give me the grace to avail myself of her powerful aide during the trials and tribulations of my life, especially trials that concern my child.

I consecrate my child, (Name), to the Immaculate Heart of Mary, placing him/her with great trust into the safe refuge of her maternal heart and under her mantle of peace and protection. I ask that your Mother's powerful intercession protect (Name) from all evil and form him/her in Mary's way of faith, hope, and love. Free (Name) from any deception, rebellion, or sin, Lord Jesus, and give him/her the grace of a Marian spirit of active obedience and total surrender to your holy will. I dedicate myself and my entire family, all that we are and all that we have, to Mary's Immaculate Heart, asking that we be used for her triumph, which is the triumph of your Sacred Heart in our hearts and in the world. Amen
